

Respect people, laws and the environment

is one of Verallia's four values. EHS is core to our priorities.

Objective : 0 accidents and 0 occupational illnesses

thanks to:

- **Clear rules** and necessary **training** on working safely
- **Constant compliance with the rules**, especially the 4 cardinal rules
- **Commitment on the part of every employee** to act safely and **intervene** in the case of a risk to themselves or to their colleagues
- Regular, open and fact-based **dialog on EHS**

Objective: promote the circular economy and reduce our environmental footprint

thanks to:

- **100% recyclable** glass products
- **Promoting** glass **recycling**
- Initiatives on **conserving natural resources**
- **Targets on improving** our consumptions and emissions in all our sites

Let's all act together, every day, to protect each and every person working on our sites and to preserve the environment!
